## A MESSAGE FROM OUR PRESIDENT:

The Kalloch Family Reunion holds much meaning in my life and I hope it does in your life as well. We are the stewards of a shared history, family ties so deeply rooted that we have gathered together to celebrate our connections and learn about our ancestors for 156 years. Of course it is important to continue our tradition of business meetings and supporting the functions of our organization, but I also want to challenge all of us to think of new ways we can stay connected throughout the year.

I love the idea of regional meetups with Kallochs in your area getting together for a coffee (Kalloch tinware coffee pot not required!). What are your ideas for activities, events, subjects, or speakers? How can we make our reunions more accessible and fun for Kallochs of all ages? What are some ways we can share our stories and make sure our family reunion is relevant for younger generations who may have different needs and interests?

Please share your thoughts by email at [kallochfamilyreunion@gmail.com](mailto:kallochfamilyreunion@gmail.com) or tag the family on Instagram [@kallochfamilyreunion](https://www.instagram.com/kallochfamilyreunion)  
If you meet for coffee or want to share a photograph or video message, we would love to see it!

## ABOUT THIS YEAR'S REUNION:

We were pleased that so many new people could join us last year at our second hybrid reunion. We've decided to hold a hybrid reunion this year as well and will broadcast the reunion virtually to family who cannot travel to Maine.
